Poem of the day

Where the ego ends,
true happiness begins.

Two Lakes Bridge

The Two Lakes Bridge is set to the west of the Harder Kulm Restaurant, at 4'337 ft above sea level. The large platform is supported by a steel construction. Handling on a glass bottom visitors can gaze down into the depths. You can reach this ideal excursion destination with stunning scenic view in only 10 minutes from Interlaken. A cable train takes you directly to the Harder.

Face massage

After a hard day on the mountains indulge yourself with a little relaxation. Our facial massage activates bioenergy and can relieve tension in the face. How nice is it to switch off and sink deeper in the well-being.

Brienzer Rothorn

Let off steam in the Bernese Oberland! Take a wonderful trip on the old paddle-steamer Lötschberg across Lake Brienz and continue by the unique steam rack-railway to the 2'350 metre high Brienzer Rothorn. The unforgettable ride leads past deciduous forests, across Alpine meadows, past steep rock-races to the distinctive summit. Mountain fans will be delighted by the splendid circular panorama from the Alps of Central Switzerland to the four-thousanders of the Bernese Oberland and the Jura. The Brienzer Rothorn is departure point for beautiful walks in the mountains.
